### **The Lutheran Chorale Service**

The Christ-centered hymns of Martin Luther and his associates promoted the spread of the Reformation as much as anything else. That collection of Lutheran hymns, preserved and expanded over the centuries, is the reason the Lutheran Church is known as “The Singing Church.” We celebrate that tradition of song today by using the service today.

### **Thank You!**

Thank you all for coming here to worship at Christ Lutheran Church in Klamath Falls, OR for yesterday’s special day of celebration! It is with joy that we come together as brothers and sisters in Christ to worship our Lord who comes to us in His Holy Word. We also thank God that He sent men to be faithful preachers and teachers of the Word even when it meant their lives were in danger. With our Lutheran heritage, may God continue to give us strength to go out into the world to defend the Word with all our heart and that the Word is preached and taught in its truth and purity!

We especially want to thank: Christ Lutheran Church for hosting this years’ service, the Pastor’s for putting the service together, Cathy Howard for accompanying, Christ Lutheran Church members for preparing the main course for the meal, and the Medford and Grants Pass members for providing baked goods.
