Keeping Pastor Smith in Your Prayers

Pastor Smith, a previous pastor here at Christ Lutheran Church, continues to battle cancer. While treatment is helping with the cancer, it has had its side effects which have caused him to have to go to the hospital. Please keep him and his family in your prayers, that he may be strengthened at home, continue to be there for his family and congregation, and that in time, his cancer might be taken completely away.

Financial Update

While we made last year’s budget and we are excited for the blessings the Lord has given us, we knew going into this year it was going to be tougher as operating costs had risen. Knowing it would be tough, we know there was no other option with our budget but to go ahead and know also that the Lord does provide. Having the bigger expense of the insurance come out in March and maintenance in the parking lot, we are currently behind by \$4,523.81. Our reserve fund is helping, but we can’t rely on it for the entire year. We pray you appreciate this update as we continue through the rest of the year. Please let us know if you have any questions and keep our congregation and its finances in your prayers. -Christ Lutheran Church Council
